SPECIALIZED COURSES

Discovery Term

A variety of courses offered the first week of January provide students an opportunity to consider new interests, explore their gifts and talents, and have fun deviating from the normal classroom routines.

College Credit

Advanced Placement

Students can earn college credit based on their score on the National AP test.

Lakeshore Health Careers Academy

Health career courses available online through Lakeshore Technical College.

Grand Canyon University Dual Enrollment

Students can take up to 8 college classes (32 transferable credits) online through GCU at \$52.50 per credit.

Youth Apprenticeship

The Youth Apprenticeship Program offers students paid internships at local businesses in the following areas: Agriculture, Architecture/Construction, Finance, Graphic Design, Health, Hospitality/Culinary/Lodging, Information Technology, Manufacturing, STEM, Transportation, Distribution & Logistics, Marketing.
