

Rooted in Christ ~ Nurturing His Children ~ Building Relationships

## About St. John Lutheran-Random Lake

St. John provides a Christ-centered education which is a stark difference to the world view around us. We do this within a family focused atmosphere. Our school is a safe haven for children physically, emotionally, mentally, and spiritually.

St. John has provided faith-based education to students since 1855. We offer our students a balance of offline and digital learning (with 1:1 Chromebooks), indoor and outdoor play and exploration, individualized and collaborative education experiences.

Our school day begins at 7:45 am and ends at 2:45 pm.

Our Lutheran teachers care about their students' wellbeing and provide engaging lessons.

We offer childcare for children starting at 6 weeks of age up to 8th grade to assist parents with their childcare needs. This has allowed us to connect with our community.

At St. John, what we believe and teach is what we confess: Jesus is Savior of the world. Because of this belief, we teach His children the confessions of the Lutheran Church-Missouri Synod. In teaching His children, we build relationships with their families and the community around us.

One-to-one instrument instruction as early as 2nd grade for piano and 3rd grade for brass, woodwind, and percussion instruments.

Smaller classroom sizes allow for personalized learning and one-to-one assistance.
