

# WELCOME TO ST. JOHN THE BAPTIST CATHOLIC SCHOOL

At St. John the Baptist Catholic Church and School our vision is to send forth loving, concerned, educated disciples who integrate Catholic Christian values with their life experiences. Our Catholic school is an important ministry of our parish. The teachings of the Catholic Church, as well as gospel living, are intertwined into our curriculum and culture. Our academic program is rigorous and relevant, preparing students well as they move on to high school and beyond

## ST. JOHN THE BAPTIST SCHOOL

is a private 3k-8th grade school that provides a solid academic education in a close knit, faith-centered and service-orientated environment. Our students score higher than the national average on standardized tests, participate in daily religious instruction and weekly Mass, and participate in service-orientated initiatives throughout the year. Our low student-teacher ratio allows our teachers to know each child individually and provide personal instruction based on each child's needs.

## ST. JOHN THE BAPTIST SCHOOL

prepares students for their future. Grade-specific curriculum guides, developed by the archdiocese's Office for Schools, outline what we want our students to know and be able to do at the end of each grade based on national, state and local standards. At St. John the Baptist Catholic School we focus on innovative learning. Graduates are rich in morals, values, and character and are well prepared for high school, college and careers

## ATHLETICS & CO-CURRICULAR

St. John the Baptist Catholic School offers many ways for students to get involved and increase a sense of belonging in school, church, and community. We encourage our students to respect themselves and others as God-given gifts to the world.
